Through periodic reports required of licensed schools and by inspections made by authorized representatives, the State Board of Community Colleges, acting by and through the State Board of Proprietary Schools, shall have general supervision over proprietary schools in the State, the object of said supervision being to protect the health, safety and welfare of the public by having the proprietary schools maintain adequate, safe and sanitary school quarters, sufficient and proper facilities and equipment, sufficient and qualified teaching and administrative staff, and satisfactory programs of operation and instruction, and to have the school carry out its advertised promises and contracts made with its students and patrons. To this end, the State Board of Community Colleges, acting by and through the State Board of Proprietary Schools, is authorized to issue such rules not inconsistent with the provisions of this Article as are necessary to administer the provisions of this Article.

Under these rules, the board or agency shall pass on the adequacy of equipment, curricula, and instructional personnel. The State Board of Community Colleges may deny approval to a course of study that is not approved by such board or agency.
